# MODERN WORKFLOW

The screenshot shows the Shopify admin interface for managing customers. The left sidebar includes links for Dashboard, Orders (with 5 notifications), Customers (selected), Products, Collections, Discounts, Reports, Blog Posts, Pages, Navigation, Themes, Apps, and Settings. The main content area is titled 'Customers' and displays a table of customer data. The columns are: Name, Location, Orders, Last Order, and Total Spent. The table lists five customers: Shad Hamill (New Jersey, US), Johann Trantow (Puerto Rico, US), Wilhelm Padberg (Nebraska, US), Treva Reinger (California, US), and Pietro Schuppe (Vermont, US). All customers have 0 orders and \$0.00 total spent. A message at the bottom states: 'Customer accounts are disabled. Configure these settings.'

Name	Location	Orders	Last Order	Total Spent
<a href="#">Shad Hamill</a>	New Jersey, US	0		\$0.00
<a href="#">Johann Trantow</a>	Puerto Rico, US	0		\$0.00
<a href="#">Wilhelm Padberg</a>	Nebraska, US	0		\$0.00
